MASTON TEAK OIL SPRAY is an easy-to-use protective and caring agent for treating any type of wood. Traditional and old fashioned formula of boiling linen seed oil for a long time gives Teak Oil Spray it's unique ability to penetrate deep into wood and creating a protective layer without filming on the surface. Teak Oil strengthens the wooden surface, restoring its natural tone. Ensures resistance to changing climate conditions and protecting effectively against moisture, dryness, bending and cleaving. Quick drying time makes the product ideal for protecting outdoor objects, such as wooden patios, wooden handrails and garden furniture.

ATTENTION! A wooden surface, which has not been treated before might demand several layers for optimum result. One layer is enough as maintenance of worn-out surface.

BINDER:

Wood oil, Solvent based

STORAGE STABILITY: 60 months

EU VOC-CONTENT:

Transparent: VOC 370,48 g/L

Brown: VOC 365,06 g/L
