

## NEON SPRAYPAINT

Acrylic-based **NEON PAINT** for indoor and outdoor applications. Suitable for wood, metal, glass, stone, ceramic, cardboard, paper and most plastics. We recommend priming with Maston's white acrylic primer due to limited coverage of neon colors. Can be applied, either wet-on-wet or wet-on-dry. For higher gloss and wear resistance apply Maston high gloss clear coat on top of the paint. Not UV-Proof.
